Our Basic Skills Programs serve adults through the following program areas:

- Adult Basic Education (https://www.johnstoncc.edu/programs/adult-education.php) (pre-high school instruction)
- Adult Secondary Education/High School Equivalency (https://www.johnstoncc.edu/programs/adult-education.php) (high school instruction)
- English as a Second Language (https://www.johnstoncc.edu/programs/adult-education.php)

Additional Information

- All Basic Skills classes are available at no cost to the student.
- Placement testing and orientation is required for entry into all Basic Skills programs.
- Students with intellectual disabilities are served in all of our programs based upon their assessment scores.
- Enrollment is open to those 18 and older. Learn more about underage participants. (https://www.johnstoncc.edu/programs/adult-education.php)
- *Is there a business or church in your area that's interested in sponsoring a Basic Skills class?* Basic Skills classes may be established at off-campus locations (15 students minimum).
